Saying Goodbye

It's never easy, but saying goodbye is a natural and healthy part of the grieving process.

At Butler-Stumpff & Dyer this can take place in a number of ways; from a more traditional ceremony joined by family and friends, to a private, meaningful service with your immediate family.

Regardless of how you want to say goodbye, our professional caring staff is ready to serve.

Having our own on-site crematory means you can witness the cremation if your religion or personal preference necessitates it.

Sharing the Story

A caring mother, a lifelong friend – every life tells a story.

Our team will help you share that story in a unique and appropriate way. We believe in celebrating the life of the individual by recognizing how they touched the lives of others. This is the story we all have to share.

Cremation Choices

Choosing cremation offers several choices for service and memorialization. The following considerations will help you determine the type of event that would be most meaningful to you, your family, and friends.

Do you prefer to offer friends and extended family the opportunity to say goodbye and offer their love and support with a public viewing or memorial service?

Do you prefer to conduct ceremonial services at a church or place of worship?

If family and friends are coming from a great distance, do you prefer to arrange for a memorial service following the cremation?

Whatever your preference, our staff will work one-on-one with you to create an appropriate tribute. To help simplify the planning and arrangement process, the offerings described on the following pages represent the most popular choices of our client families who elect cremation. Each of these packages offers our Signature Service Commitment.

The Final Salute

Our Veterans Services honor those who have chosen to endanger their lives for their countrymen. These options are tailored to the expressed desires of our people in uniform.

Our professional staff will arrange Military Honors for a dignified military service to be held at the Fort Gibson National Cemetery. Special veterans urns, with the appropriate military insignia, will be used for these ceremonies. At that time, family and friends have an opportunity to gather to give a final salute to our fallen heroes while Taps is being played.

Veterans options are also available to spouses and handicapped children of veterans.
